Re the proposal to give out on contract the "Mudi" and the "Kalpuvarati" collections in the Nanjangud temple

From

The Deputy Commissioner, Mysore District

Letter No. 464, dated 17th May 1907.

Mr Amble Annaih Pandit of Mysore petitioned to the Deputy Commissioner of the Mysore District, suggesting the desirability of giving out on contract the "Mudi" and the "Kalpuvarati" collections in the Sri Srikanteswara Swami temple at Nanjangud, and stating that for the lowest bid, the average of the last 5 years' collections from those sources might be taken. The petition having been referred to the Amildar, that officer stated that though the course

suggested would tend to the contractor extorting more money, yet, this ~~ad~~ disadvantage would be more than compensated by the fact that the system would provide a check on the malpractices of the Archaks of the temple.

The Deputy Commissioner also expresses in favor of the suggestion and recommends that the system may be tried tentatively for a period of one year.

The average of collections from Kalpuravathi ~~Kavaddi~~ and from Mudi as is stated to be Rs 236-5-4 and Rs 287-9-11 respectively per annum.

I think the proposal may be sanctioned tentatively for one year. The contract system has proved very advantageous in the Sri Gangadhareswara Swamy Temple at Sivaganga.

Full publicity should be given for competition, and the highest
